

# Ontario Farmland Trust Annual Farmland Forum

## Event date

Thursday, March 19, 2026 - 9:00 am

The Ontario Farmland Trust is pleased to invite you to the annual Farmland Forum on March 19, 2026. Join farmers, planners, municipal leaders, conservation organizations, and community members from 9:00 a.m. to 4:00 p.m. at The Grandway Events Centre in Elora, ON, for a day of learning, connection, and conversation.

This year's theme, **Municipalities & Farmland Protection**, focuses on the critical role municipalities and communities play through land-use planning, zoning, and policy decisions. Through an inspiring keynote, a panel featuring farmer perspectives, a hands-on workshop, and informative sessions, the 2026 Farmland Forum offers a space for meaningful dialogue, shared learning, and practical action. Participants will leave with new connections and clear tools to champion farmland protection in their own communities.

[You can learn more about the day's program here.](#)

Registration is required
